## Facilities

Fellowship Fields- The synthetic turf field is on hold for now. Additional funds are required for this project to move forward.

Hickory Park- Tom Graybill from GEYA Baseball announced that March 5<sup>th</sup> is Field Day for the members of GEYA baseball. They plan to reside the press boxes at Fields #1, 2 and 3.

Work on the infields will resume when weather permits.

Al noted that the meeting room next to the snack bar will be used as a field office for the Park Road Bridge Project, scheduled to begin in February.

Larkins Field- GEYA soccer will not be using Larkins this spring season. Paul Ricken, of GEYA Soccer, requested that the board investigate the construction of a boardwalk across the wetland area between the school parking lot and Larkins Field. It was also noted that handicapped parking should be considered at this site. GEYA is getting prices to install 950 feet of fencing at Larkins.

- What is the process to request late games under the lights?

Motion made by Dan D, 2<sup>nd</sup> by Lou L, that when 2 football games occur at FF at the same time there would be no soccer games at that time. Motion approved.
